Haas Hall Academy Crest

The colors of the Haas Hall Academy seal are Haas blue and gold. Haas blue represents truth and loyalty and gold symbolizes generosity and elevation of the mind. The seal's crest is equally divided into four parts. In the upper left hand corner, the ermine spot is emblematic of a mark of dignity. In the upper right hand corner, the Fleur-de-lis illustrates purity. In the lower left hand corner is a mastiff, the official mascot of Haas Hall Academy. The mastiff, among the strongest of canines signifies courage, vigilance and loyalty. In the lower right hand corner is the peacock feather that represents beauty, power and knowledge. The motto "veritas et sapientia" denotes truth and wisdom.

The Family Education Rights & Privacy Act of 1974 (F.E.R.P.A.)

The Family Education Rights & Privacy Act of 1974 (F.E.R.P.A.) limits the information about a scholar's academic record that may be disclosed without the scholar's written permission to directory information. Directory information is defined as:

- Scholar's name;
- Address;
- Telephone number;
- Data and place of birth;
- Classification;
- Participation in officially recognized activities and sports;

Each parent, legal guardian, persons in loco parentis or eligible scholar has the right to refuse to permit the release or any of all of the above information. If the parent, legal guardian, persons in loco parentis or eligible scholar wishes to restrict the release of the directory information, he/she must inform the Superintendent's office in writing within thirty (30) calendar days of receipt of this notice. An eligible scholar is one who has reached the age of 18.

Parents, guardians or persons in loco parentis of scholars may have access to scholar records as provided by the Family Educational Rights and Privacy Act of 1974 (F.E.R.P.A.). This act allows for the inspection of the content of records and for the right of the parent, guardian or persons in loco parentis to challenge anything contained within the records that they consider being inaccurate or misleading.

Residency Requirements

Haas Hall Academy is an open-enrollment public charter high school. Any scholar living in the state of Arkansas may attend.

Entrance Requirements

Haas Hall Academy's curriculum is an accelerated college preparatory academic program going into greater depth than is normally found in similar high school courses. Accredited by the Arkansas Department of Education, Haas Hall Academy holds membership in The College Board, the Science National Honor Society and the National Honor Society.

Every semester, all scholars are required to take full schedules of academic courses from the aggressive, directed curriculum. As a microcosm of a university, scholars at Haas Hall Academy earn a full Carnegie unit of academic credit per semester. During a calendar year, our scholars

earn an equivalent of two years of academic credit towards graduation. Most scholars take higher education courses while enrolled at Haas Hall Academy.

The restricted offerings required of all scholars parallel the requirements of largely private preparatory schools. Haas Hall Academy produces a truly educated graduate prepared for the academic challenges that will await them in their higher educational pursuits.

The parent, guardian, or other responsible person shall furnish the child's social security number, or if they request, the district will assign the child a nine (9) digit number designated by the department of education. The parent, guardian, or other responsible person shall provide the district with one (1) of the following documents indicating the child's age:

- A birth certificate;
- A statement by the local registrar or a county recorder certifying the child's date of birth;
- An attested baptismal certificate;
- A passport;
- An affidavit of the date and place of birth by the child's parent or guardian;
- Previous school records; or
- Military Identification.

The parent, guardian, or other responsible person shall indicate on school registration forms whether the child has been expelled from school in any other school district or is a party to an expulsion proceeding. The child shall be age appropriately immunized from poliomyelitis, diphtheria, tetanus, pertussis, red (rubeola) measles, rubella, mumps, hepatitis B, varicella and other diseases as designated by the Arkansas State Department of Health, or have an exemption issued by the Arkansas State Department of Health. Proof of immunization shall be by a certificate of a licensed physician, public health department or the military service acknowledging the immunization.

Preface

The Constitution of the United States, through the Bill of Rights and subsequent amendments, gives all persons' certain rights. The United States Supreme Court has declared that scholars do not shed these constitutional rights by walking through the school door.

Scholars are protected by the Constitution and that responsibility for protection applies to boards of education as it does to other individuals and agencies. The state legislature gives school boards rule-making authority regarding scholar behavior, but such authority is balanced by the Constitution and the courts.

Scholars Have the Right to:

- Pursue, through study and self-application, a quality education at public expense and to attain personal goals through participation in the entire school program;
- Participation in school activities without being subject to unlawful discrimination on any basis. Where access to participation in programs of activities is on a competitive basis, each scholar has the right to compete on an equal basis;

- Express views or protest symbolically, so long as the manner of expression does not interfere with the orderly operation of the school or the rights of others;
- Participate in patriotic exercises or refrain from participating;
- Be secure in their persons, papers, and effects against unreasonable searches and seizures; have privacy in regard to their personal possessions, unless there is reasonable suspicion that the scholar is concealing materials prohibited by the law.

Scholars Have the Responsibility to:

- Attend classes daily, be on time to all classes, and obey school rules;
- Foster good human relations within the school by practicing courtesy and tolerance in their dealings with each other and members of the school staff, and to respect the dignity and worth of other individuals;
- Refrain from libel, slanderous remarks, and obscenity in verbal and written expression including those in cyberspace;
- Develop tolerance of the viewpoint and opinions of others: recognize the right of other individuals to form different points of view and to dissent in an orderly and respectful manner.

Discipline Policies

Scholar Behavior Penalties for Infraction of Scholar Discipline Policies

All scholars are expected to conduct themselves at all times in a manner that will contribute to the best interest of the school system and not infringe on the rights of others. The following activities are considered improper conduct and will subject the scholar to disciplinary action.

Listed below each rule is a set of disciplinary actions to be taken. Under normal circumstances, this list will be adhered to in the order shown. However, the gravity and severity of the rule infraction may cause the initial punishment to be implemented at some point other than at the beginning of the list of consequences as determined by the school official. All offenses must occur within the same school year.

Detention

Detention at Haas Hall Academy is an after school program times and locations determined by each school's Headmaster. Scholars may receive detention for various infractions, but not limited to, violations in this manual. Scholars in detention must work on homework. No electronic devices are allowed in detention. If an electronic device is found, that device is confiscated for the entire calendar year.

Suspension

The School Board gives Haas Hall Academy's Headmasters the discretion to suspend a scholar up to ten school days for good cause, or until a satisfactory conference has been arranged and held with the parents, guardians or persons in loco parentis of the suspended scholar. No suspended scholar shall be allowed to leave the premises during the school day until the parent/guardian or other proper authorities assume responsibility for him/her. School work missed as a result of a suspension may not be made up.

Recognizing that there are limits to the number of times conduct of an undesirable nature can be tolerated, any scholar who has been suspended once in any given school year may be recommended to the Haas Hall Academy School Board for expulsion and be returned to their district of origin.

Expulsion

The Haas Hall Academy School Board has the authority to expel (remove) a scholar from school for the remainder of a semester, for the remainder of a year, or permanently if an offense committed by the scholar is serious enough to warrant such action. Such expulsion may result from a single act that is so severe that merely suspending the scholar would not be appropriate, or it might result from a series of events (suspensions) which exceed the number of times serious refractory conduct will be tolerated.

An expulsion may occur after school personnel have recommended in writing, to the Superintendent, that a scholar be expelled. Said recommendation shall include a statement of the charge(s) against the scholar. If the Superintendent concurs with the recommendation, he shall schedule a hearing before the Haas Hall Academy School Board.

He shall also inform the scholar's parent/guardian or persons in loco parentis of the date, place, and time of the hearing, and shall inform them of their rights as provided by law. The board hearing relative to the expulsion shall fully comply with applicable due process criteria. The Superintendent shall notify, in writing, the parent/guardian or persons in loco parentis of the action taken by the board.

Any scholar, after being suspended for reasons stated in the discipline policy may be recommended for expulsion. The Superintendent reserves the right to suspend or recommend expelling scholars whose behavior is subversive to good order and discipline in the school. The Superintendent reserves the right to suspend or recommend expelling scholars whose behavior is subversive to good order and discipline in the school, even though such behavior has not been specified in the aforementioned rules.

Process for Resolving Parental Concerns

Haas Hall Academy is a dynamic community of learners and stakeholders that work together to ensure one of the finest accelerated, college preparatory educations in the nation. Haas Hall Academy's community prides itself by addressing concerns in a timely manner.

Always begin with the person(s) with whom you have a concern. E-mail is a poor medium because people tend to overestimate their ability to convey their tone in an e-mail. Research indicates the success rate at understanding the tone of the message is significantly higher verbally than via e-mail. Haas Hall Academy recommends a face-to-face meeting to have a positive, constructive and meaningful discussion.

If after the initial meeting your concern remains unresolved, we ask you call Haas Hall Academy and make an appointment to meet with the person(s) with whom you have a concern and the appropriate Headmaster. An appointment will be made at the earliest convenience by the Headmaster.

If after meeting with the Headmaster issues are still unresolved, please call (479) 966.4930 to make an appointment with the Superintendent of Schools. The Superintendent's decision is final. There is no appeal.

Haas Hall Academy Attendance Policies

Arrival

All scholars are expected to be inside the school building by 7:50 a.m. School entrance doors lock at 7:50 a.m. If a scholar is not present by 7:50 a.m. they will be considered tardy. All scholars must be in their first period classroom by 7:55 a.m. Classes begin promptly at 8:00 a.m.

Mandatory Attendance

All children who are ages five (5) through seventeen (17) on or by August 1 are required to be in school that school year with the exception of five-year-old children for whom kindergarten has been waived by the parent, guardian, or person having custody or charge; scholars who have received a high school diploma or its equivalent; or scholars who are enrolled in a postsecondary vocational-technical institution, a community college, or a two-year or four-year institution of higher education.

Minimum Days of Attendance

State law requires compulsory school attendance of children between the ages of 5-17, inclusive. After a scholar has exceeded four (4) absences per semester, a determination will be made as to whether to deny credit. Factors to be considered will include reasons for the excessive absenteeism, previous attendance habits, input from the scholar's classroom teachers, and academic performance at school. When scholars exceed the number of absences as defined in the district's attendance policy, the scholars' parents, guardians, or parents in loco parentis shall be subject to a civil penalty not to exceed .five hundred dollars (\$500.00) plus costs of court and any reasonable fees assessed by the court

Scholars who exceed five (5) absences per semester may be turned over to the proper authorities.

Attendance Procedures

When scholars and parents know ahead of time that a scholar will be absent the parent should notify the office of the appropriate Headmaster in writing for any make-up work. All parents are responsible to contact faculty by email for missed assignments by 8:30 a.m. on the day of the absence. Emails from scholars will not suffice as an indicator of a school absence as such email will be disregarded. Notification of all suspensions from school will be given to the parents, guardians or persons in loco parentis as follows:

- By telephone, if a telephone is available and a parent, guardian or persons in loco parentis can be contacted;
- A note shall follow the telephone call to the parent, guardian or person in loco parentis along with a copy filed in the Headmaster's office;
- When a scholar leaves the campus for any reason, he/she needs to sign out in the front office.

Definition of Absence

"Absence" means a scholar was not present at a roll call or during some portion of the school day.

- If a scholar is absent four (4) times from any class during a semester, the Headmaster may decide to not excuse any more absences from that class;
- The Superintendent may deny academic credit on the basis of four (4) absences per semester.

WHEN SCHOLARS ARE ABSENT FROM SCHOOL AND THE APPROPRIATE HEADMASTER'S OFFICE HAS NOT BEEN NOTIFIED PRIOR TO THE ABSENCE, EITHER THE HEADMASTER OR HIS/HER DESIGNEE WILL MAKE CALLS TO CHECK ON THE SCHOLARS' REASONS FOR BEING ABSENT.

Consequences:

- Documented contact and conference with parental/guardian or persons in loco parentis;
- Possible denial of academic credit for the course, semester, or year.
- Suspension and/or possible expulsion.

Appointments: Medical/Personal

Haas Hall Academy requests that all medical and personal appointments for scholars be made after the instructional day. Due to our accelerated curriculum one day at Haas Hall Academy is equal to two days in a traditional school. Haas Hall Academy reserves the right to limit appointments made during school to one per semester. Any violation of this policy will result in detention, suspension or expulsion.

Curriculum

Haas Hall Academy's curriculum is a college preparatory academic program going into greater depth than is normally found in similar high school courses. Haas Hall Academy prepares it scholars for higher education by functioning as a microcosm of a university. Scholars at Haas Hall Academy interact with faculty who has work experience in their respective fields.

Haas Hall Academy is an accelerated learning environment. Scholars at Haas Hall Academy use block scheduling which not only emulates the college experience, it allows them the opportunity to complete a year of course work each semester. This environment is enhanced by our AP offerings and our partnerships with local universities and colleges where our scholars obtain concurrent credit while being enrolled at Haas Hall Academy.

All scholars have equal access and exposure to all content. Character education is an element of the curriculum and lifestyle at Haas Hall Academy. Scholars have essential character traits such as respect, responsibility, work ethic, empathy, honesty and integrity reinforced at Haas Hall Academy. Scholars are also required to become involved in community projects, reinforcing their civic and personal responsibility.

By definition, Haas Hall Academy's curriculum is immersed in technology. Haas Hall Academy incorporates technology into its classical secondary school subjects.

Grading System

Haas Hall Academy's School Board recognizes that a system for reporting pupil progress is a vital part of communication between the home and the school. An adequate progress reporting plan should assist scholars in recognizing their own potential and self worth, provide parents with information about their children's growth and the school's total program, provide an accurate permanent record of scholar achievement and growth, and stimulate the school to engage in productive curriculum planning and execution. In order to frequently update the academic progress of your scholar, a minimum of three grades per week will be recorded.

Grades assigned to a scholar (letter-grades, percentages, symbols, etc.) shall reflect only the extent to which the scholar has achieved the expressed educational objectives of the course, grade-level, etc., as prescribed by Section V-B of the "Standards for Accreditation of Arkansas Public Schools" (1984). Nothing in this policy is intended to prohibit or discourage a teacher from assigning and reporting a separate grade for a scholar's behavior, attendance, attitude, etc.

However, such grades shall not become a part of the scholar's permanent record and shall not be used as a part of the record of scholar achievement, except as indicated above. A public school scholar who has successfully completed the eighth grade shall be eligible to enroll in a publicly supported community college, four-year college or university for elective credit.

Although Haas Hall Academy is not a member of the International Baccalaureate (IB) Program, scholars transferring into the District from another Advanced Placement (AP) or IB program will be awarded credit as outlined by the Arkansas Department of Education. Weighted Credit for designated AP and IB courses will be contingent upon the AP/IB teacher obtaining applicable training; the scholar taking the entire AP/IB course offered in a particular subject; the scholar completing the applicable test offered by the College Board for AP at the end of the AP course or the applicable test offered by IB at the time prescribed by IB. Weighted credit will not be awarded to any transfer courses beyond AP/IB.

Placement Exams

As a school of acceleration, to ensure proper placement in our rigorous courses, Haas Hall Academy employs placement exams. All new scholars are subject to placement exams by the school or at the request of the parent, guardian or persons in loco parentis.

Promotion and Acceleration of Scholars

Haas Hall Academy believes that each child is a distinct individual with special educational, social, and emotional strengths and weaknesses. We further believe that individual differences can best be addressed through a continuous progress curriculum and the continuous promotion of scholars.

The purpose of acceleration is to ensure that all scholars are intellectually challenged every day in the classroom. Scholars who wish to accelerate a grade must demonstrate an extraordinary acumen in their daily classroom work and on standardized examinations.

The Superintendent will make the decision on grade skipping. All decisions made by the Superintendent are final. (For example to provisionally or conditionally accelerate a scholar one or more grades, to return a scholar to his or her prior grade after provisional or conditional acceleration, to immediately grant or deny a request for acceleration, or any other aspect of grade acceleration or return) There is no appeal process.

By design Haas Hall Academy is a school of acceleration attracting a scholar with higher academic ability and desire. A scholar's educational ability and attainment is not limited to their age. In some cases, Haas Hall Academy will accelerate scholars into different grade levels and/or subject areas based on mastery of material.

Dual Enrollment Requirements

Any scholar who wishes to take college level courses (virtual or on-campus) must meet all of the following criteria.

- A minimum of a 23 or higher on all sections of the ACT (English, Mathematics and Reading);
- A minimum composite score of 23;
- A cumulative GPA of no less than 3.50;
- Permission from the Superintendent. The Superintendent's decision is final. There is no appeal process.

Academic Intervention Plan (AIP)

Haas Hall Academy is a school of acceleration for scholars with high intensity of purpose. Haas Hall Academy functions as a microcosm of a university whereby scholars complete an entire calendar year of academic courses in one semester.

Haas Hall Academy's curriculum goes into much greater depth and breadth than found in traditional high school courses. Ultimately, academic achievement is the responsibility of the institution, scholar and their parent(s).

Haas Hall Academy's Academic Intervention Plan (AIP) intervenes and tracks the academic progress of scholars deemed in academic jeopardy. Academic jeopardy is defined as a scholar with a 'D' or below in any course. Haas Hall Academy has a minimum 2.5 cumulative GPA requirement for graduation.

Scholars in academic jeopardy, along with their parent(s) must attend a weekly academic progress meeting held each Tuesday from 2:40 – 3:30 p.m. Scholars and their parent(s) will meet with faculty and administration to prepare an AIP.

The AIP will be created, modified and monitored by faculty. Faculty will establish benchmarks that must be met on a weekly basis and evidence of academic improvement from the scholar must be demonstrated.

Scholars involved in AIP must also attend study club Wednesday & Thursday afternoons from 2:30 – 3:30 p.m. Scholars involved in AIP may not participate in any extra-curricular activities until academic improvement has been noted and a faculty member has released the scholar from academic jeopardy during a regularly scheduled AIP meeting.

AIP and study club are mandatory programs

Consequences listed below are for scholars and/or their parent(s) who are absent for AIP meetings and/or study club. Nota Bene: Consequences are by the calendar year – not by the academic semester.

Consequences:

1st offense – failure to appear: Detention for no less than three (3) days;

2nd offense – failure to appear: Suspension no less than three (3) days;

3rd offense – failure to appear: Formal hearing.

Access to Faculty

Haas Hall Academy understands that parental access to faculty is an important component to the success of your scholar. **At no time may a parent interrupt faculty during the instructional day while classes are in session. This policy will be strictly enforced.** This policy is for the good of all members of our academic community. There is a zero tolerance policy for disturbing academic achievement.

Parents are encouraged to arrange meeting times with faculty and not just drop in. Too many times faculty have additional requirements placed on them by school administration and they are not available on a regular basis after school.

Every Monday after school, Haas Hall Academy holds a mandatory faculty meeting for all personnel. No parent may meet with a faculty member during this time. Faculty meetings are usually completed by 3:15 p.m. on Mondays.

Every Tuesday after school Haas Hall Academy holds our Academic Intervention Program (AIP) program to ensure the success of scholars who are struggling in various courses throughout the semester. Faculty are usually finished with AIP meetings before 3:15 p.m. AIP meetings hold preference over other meetings with parents on Tuesdays.

Parents should schedule a meeting with faculty via email. Faculty provide email addresses on their course syllabi. All Haas Hall Academy email addresses are as follows:
First Name Last Name @haashall.org

After School Dress

Scholars must remain in their uniform while on campus unless PE was their last class of the day. Any scholar who changes clothes while on campus is subject to a minimum of three days of detention. Any scholar who violates this policy more than once is subject to a minimum of three days of suspension.

AP Program Policy/Requirements

Haas Hall Academy is an accelerated, college preparatory institution recognized by U.S. News and World Report as one of the finest in the nation. Haas Hall Academy has an extensive and rigorous AP program for its learning community.

State statute requires all scholars who take an AP class must take the corresponding AP examination. Compliance with this statute is completely non-negotiable. Failure to take the AP test on the assigned date will result in an 'F' for the course.

Scholar Transfers

Haas Hall Academy shall review and accept or reject requests for transfers, both into and out of the district, on a case by case basis. Any scholar transferring during the semester from a school accredited by the Department of Education to Haas Hall Academy shall be placed into the same grade the scholar would have been in had the scholar remained at the former school. Haas Hall Academy at its discretion administers competency exams to further evaluate a scholar's academic preparedness. Results from these tests can accelerate a scholar either by a class or an entire grade level.

Scholars who transfer in from another school must be in attendance for 20 school days before a grade from Haas Hall will be given. Otherwise, the scholar will have the grade earned from the previous school placed on their transcript for the semester. If a scholar is in attendance at Haas Hall for 20 school days, their grade earned from the previous school will be combined from the grade earned at Haas Hall for credit to be established.

Any scholar transferring from home school or a school that is not accredited by the Arkansas Department of Education to a school that is accredited by the Arkansas Department of Education shall be evaluated by the staff of that accredited school to determine that scholar's proper placement in the accredited school. Consideration will be given to an accredited curriculum, standardized tests taken, textbooks used, etc. Some cases may involve testing scholars for

placement purposes as permitted by Arkansas Law, Scholars expelled from another school district will not be allowed to enroll at Haas Hall Academy

State law clearly states that a scholar must reside with his/her legal guardian in the school district in which he/she attends school. Act 663 of 1999 details residency requirements for attending public schools and makes it a misdemeanor to falsify residency information. Anyone knowingly providing false residency information to a school district may be charged with a misdemeanor and fined up to \$500.00.

All clubs must complete Haas Hall Academy's official school club form by and return it to the Headmaster by the second Friday of the school year. All scholar clubs are required to have on file copies of all agendas, minutes and sign-in sheets with their faculty sponsor. Clubs who fail to keep current copies of aforementioned materials will have their club sponsorship revoked.

Concurrent Credit

A ninth through twelfth grade scholar who successfully completes a college course(s) from an institution approved by the Arkansas Department of Education shall be given credit toward high school grades and graduation at the rate of one (1) high school credit for each three (3) semester hours of college credit.

No scholar may take a college level class (traditional or on-line) unless that scholar has an ACT composite score of 23 or above on all sections of the ACT. All scholars who wish to apply for concurrent credit must request a meeting with the appropriate Academic Counselor. If approved by the Academic Counselor, the request will be forwarded to the Superintendent. The Superintendent will make the final approval. There is no appeal.

Unless approved by the Superintendent, prior to enrolling for the course, the concurrent credit shall be applied toward the scholar's graduation requirements as an elective. Scholars will retain credit applied toward a course required for high school graduation from a previously attended, accredited, public school. Any and all costs of higher education courses taken for concurrent credit are the scholar's responsibility.

Disciplinary Probation

The purpose of Disciplinary Probation is to ensure that scholars remain in good standing at Haas Hall Academy academically and behaviorally. Scholars placed on Disciplinary Probation will

remain for the duration of the calendar year or as deemed necessary by the Superintendent for these violations. This is not an exhaustive list and should not be viewed as such.

- Excessive absences;
- Remaining on AIP for more than three consecutive weeks;
- Being in AIP for more than one course at a time;
- Being released from AIP and being placed back on AIP for the same course during the same semester;
- Excessive detentions;
- Suspension.

The process is a constant reinforcement of positive behavior both in and out of the classroom. Faculty will provide weekly academic/behavioral progress reports to the Superintendent's assignee.

- The parent and scholar must meet with the Superintendent's assignee, weekly on Thursdays @ 2:30 p.m. in his/her classroom to discuss the scholar's progress reports completed by faculty;
- A copy of the progress report must be signed by the parent(s) and returned to the Superintendent's assignee, every Thursday;

Lost/Stolen Items

Haas Hall Academy is not responsible for lost or stolen items while on school property or at school sponsored events.

Make-up Work

Scholars who miss school due to an excused absence shall be allowed to make up the work they missed during their absence. It is the responsibility of the scholar to arrange for all make-up work with his/her Faculty. Each faculty member shall establish a timetable in which scholars must make up their work to receive credit. Work may not be made up for credit for unexcused absences. Out-of-school suspensions are unexcused absences.

Homework and Independent Study Skills

Haas Hall Academy recognizes that homework is an integral part of the learning process. Haas Hall Academy's homework policy promotes the development of scholars' independent study skills. Homework reinforces and strengthens academic skills that broaden the educational experiences of scholars. Each course of study requires a varied amount of time designated for homework as determined by individual faculty.

Haas Hall Academy Homework Policy

One of the fundamental goals of Haas Hall Academy is to ensure that upon graduation our scholars attain mastery in mathematics, science, foreign language and English. Instructional time at Haas Hall Academy is longer than traditional public high schools, yet to increase that time even further homework is a necessary part of our educational endeavor.

Purposes for Homework:

- To reinforce independent learning by providing practice and application of skills or completion of familiar, unfinished work;
- To develop responsibility and independent study habits through learning to successfully use and manage time;
- To utilize out-of-school resources for learning, giving scholars the opportunity to explore, create and broaden interests without classroom limits;
- To incorporate parents, guardians or persons in loco parentis into the scholars' school experiences through related home educational activities.

Printing of Assignments

Scholars MAY NOT ask faculty or staff to print off assignments for class during the instructional day. Scholars must prepare for the instructional day before they arrive to school. Scholars who don't have a printed copy of their homework or assignment to turn in have not completed the assignment. Therefore, it is a missed assignment.

Semester Exams

Semester exams will be given to scholars in grades 7-12 at the end of the first and second semesters. A special schedule will be set up for those tests.

Haas Hall Academy's curriculum is an accelerated, college preparatory academic program that provides greater depth than is normally given in similar high school courses. Every semester, all scholars are required to take full schedules of academic courses, with no elective credits from the aggressive directed curriculum.

Curriculum and instruction will meet the needs of the scholars by modifying the depth, complexity and pace of the advanced, rigorous curriculum of Haas Hall Academy. In keeping with our college preparatory curriculum - ALL scholars will be required to take final exams - **NO EXCEPTIONS!**

Only those scholars involved in school related functions will be allowed to take semester exams early. All other scholars, whose parents, guardians or persons in loco parentis request that their scholar take exams early, will take their exams when the faculty returns to school for the following school year.

Scholars may receive a schedule for these late exams from the office. These scholars will receive an incomplete on their report card until the exam is made up at the scheduled time. If the exam is not taken at the scheduled time, the scholar will receive a zero on the semester exam and their grade will be computed at this time.

Non-exempt scholars, whose parents, guardians or persons in loco parentis fail to make prior arrangements through the office, will receive a zero for every semester exam they do not take.

Conduct

Conduct will be evaluated on a letter grade basis (E=4.00, G=3.00, S=2.00, P=1.00, U=0.0). To be eligible to participate in extra-curricular or interscholastic activities, a scholar must maintain an average grade of 2.00 in conduct. If the average grade in conduct is less than 2.00 for a semester,

the scholar will be ineligible to participate in extra-curricular or interscholastic activities during the semester.

Conduct grades are based on the following:

- Attentiveness;
- Participation;
- Cooperation;
- Dependability;
- Courtesy;
- Respect for property and the rights of others.

Graduation and Honors Graduate Criteria

For the purpose of calculating class standing and graduation honors, quality points equal to the scholar's final GPA will be awarded for each semester of non-credit athletics.

As Haas Hall Academy is a school of acceleration, additional points will be given to scholars who participate in AP courses, and who take college-level courses during their academic tenure at Haas Hall Academy. The aforementioned college-level courses will also be included but with the following grading scale: A=5, B=4, C=3, D=2 for quality point calculation.

Advanced Placement Courses

Haas Hall Academy is a school of acceleration. All scholars must take AP level courses and take the end of course examination. If a scholar fails to take the corresponding AP exam for any AP course, the scholar will receive an 'F' in the course. Therefore, Haas Hall Academy does not weigh AP courses differently for quality point computation.

Honor Roll

Semester grades will be used to identify the honor scholars at the end of the 2nd and 4th quarters. Scholar names will be placed on the Headmaster's Honor List if they have a grade point average of at least 3.50 with no Cs. If a player leaves a team by mutual agreement of player and coach, then that player may join any other off-season program in progress.

If an athlete quits a sport, he/she will not be allowed to enter another sport or off-season program until the sport he/she quit has been completed. The decision to allow a scholar to join the next program will be at the discretion of both coaches involved. Special situations that may occur must be approved by the coaching staff and administration.

The athletic or physical education program shall be considered only as a part of the school program. The athletic program follows these guidelines:

Announcements

Announcements should be read beginning at 7:55 a.m. each instructional day.

Care of the Building

Scholars have a certain responsibility toward keeping the school clean. Neatness and orderliness are two qualifications of a good citizen. Scholars are responsible along with Academy employees to keep Haas Hall Academy clean and neat.

Concerted efforts on the part of all scholars can keep the building neat and clean. It is of particular importance that good housekeeping habits be used in the dining room. Damage to property caused by a lack of neatness or orderliness will be repaired or replaced by the scholar, parent, guardian or persons in loco parentis.

Scholars who chose to eat lunch in a classroom are responsible for housekeeping of the room prior to the beginning of the next class. Failure to do so will result in disciplinary action.

Closed Campus

Haas Hall Academy has a closed campus policy. Once a scholar arrives on campus, he/she may not leave the campus for any reason without going through the proper checkout procedures in the Heasmaster's office. Any violation of this policy is considered to be truancy from school.

No scholar is to be released from the school during school hours to anyone other than his/her parent/guardian or persons in loco parentis unless written permission is granted by the parent. Telephone messages will not be accepted except in cases of illness or extreme emergencies.

Only a request by written note and signature of teacher or parent will be honored for granting permission to leave campus. The request must be considered an absolute necessity. A scholar leaving campus must sign out in the office. Upon return to school, the scholar must sign in. NO EXCEPTIONS.

Contact with Scholars While at School

Parents wishing to visit their scholar during the school day shall register first with the office. If there is any question concerning the legal custody of the scholar, the parent shall present documentation to the headmaster or his/her designee establishing the parent's custody of the scholar or legal right of visitation. All parents must present photo ID upon registering at the office.

It shall be the responsibility of the custodial parent to make any visitation restrictions regarding the non-custodial parent known to the principal by presenting a copy of a file-marked court order. Estranged parents may visit their scholar during school hours with the consent of the custodial parent.

In order to provide a safe environment for all scholars, school officials are expected to cooperate with civil authorities who request interviews with scholars; however, to provide appropriate protection to individual scholars, school officials are expected to balance such cooperation with the rights of scholars and to allow interrogation of scholars by civil authorities only under the following conditions:

Except as indicated below, building administrators will observe the following procedures when outside agencies request to interview scholars at school or at school-sponsored extra-curricular activities:

If a proper warrant is served, the school will provide access to the scholar and will immediately attempt to contact the scholar's parent/guardian. If a school administrator is unable to reach the parent, a good faith effort should be made to get a message to the parent or guardian to call the administrator and leave both a day and an after-hours telephone number to call, as required by Ark. Code Ann. 6-18-513.

If an interview is requested, the school official will, after determining the agency representative's identity and the purpose of the interview, attempt to contact the parent/guardian of the scholar and will give the parent/guardian the opportunity to be present at the interview. A school official will be present during the interview.

If the topic of the interview is child abuse, and if the public agency representative determines that the child should be interviewed independent of the parent/guardian, school officials will allow the interview without contacting the parent/guardian. In such cases, a school official will be present during the interview unless the investigator determines it is in the child's best interest to limit who is present during an interview concerning allegations of child maltreatment.

College Visits

When scholars are required to visit a college or university to interview for a scholarship, the absence may be excused by the Headmaster, provided the reason is verified and approved in advance of the absence. The college visit should be scheduled through the Headmaster. Scholars will be required to take a form with them to have signed by the parent and returned the day following the visit to the Superintendent's office. The Superintendent reserves the right to limit the number of college visits by scholars during the instructional week.

The local radio and television stations will make announcements regarding the closing of school for inclement weather. School may occasionally close early if bad weather develops during the day. Days that are missed due to weather are added to the school calendar. At Haas Hall Academy, on-line supplemental materials may be accessed/completed by scholars during times of inclement weather.

We ask that you watch following television stations listed below for closings or cancellations of Haas Hall Academy:

- KHOG - Channel 40/29;

This is a federal and state requirement. The NAEP is the largest national measure of scholar achievement across the country and our school will play an important role by participating. NAEP staff will administer the 90-minute mathematics and reading assessment and provide all necessary materials. Violation of this policy may result in suspension and/or expulsion.

Notification of Illness/Appointment

As part of our mission to ensure all scholars are in school and that we continue to attain our 95% attendance rate, **Haas Hall Academy requires all parents to notify the school of their scholar's absence due to illness or pending appointment via email.** Emails originating from scholars will not be accepted. Parents are responsible to email faculty by 8:30 a.m. to notify them of your scholar's sickness and to request for homework assignments. In addition, carbon copy the Headmaster and secretary of the appropriate campus so that all stakeholders are properly informed. **Failure to do so will result in your scholar not being allowed to make up missed work.**

Parent-Faculty Conferences

Faculty shall communicate personally with the parents, guardians or persons in loco parentis of each scholar at least twice during the school year to discuss the scholar's academic progress.

Faculty shall communicate more often with parents, guardians or persons in loco parentis of scholars performing below the level expected in a particular course. This communication also includes scholar behavior..

Parental/Community Involvement

Haas Hall Academy understands the importance of parental and community involvement in promoting higher scholar achievement and general good will between the school and those it serves. Therefore, the Haas Hall Academy shall strive to develop and maintain the capacity for meaningful and productive parental and community involvement that will result in mutually beneficial activities for the school, scholars, parents and the community. To achieve such goals, Haas Hall Academy shall work to:

1. Involve parents and the community in the development of the long range planning of Haas Hall Academy;
2. Have a coordinated involvement program where the activities of the school enhance the involvement strategies of the programs such as the Parent Faculty Council;

Plagiarism

Many people think of plagiarism as copying another's work, or borrowing someone else's original ideas. Terms like "copying" and "borrowing" can disguise the seriousness of the offense:

According to the Merriam-Webster Online Dictionary, to "plagiarize" means

- To steal and pass off (the ideas or words of another) as one's own;
- To use (another's production) without crediting the source;
- To commit literary theft;
- To present as new and original an idea or product derived from an existing source.

In other words, plagiarism is an act of fraud. It involves both stealing someone else's work and lying about it afterward. But can words and ideas really be stolen? According to U.S. law, the answer is yes. The expression of original ideas is considered intellectual property, and is protected by copyright laws, just like original inventions. Almost all forms of expression fall under copyright protection as long as they are recorded in some way (such as a book or a computer file).

All of the following are considered plagiarism:

- Turning in someone else's work as your own;
- Copying words or ideas from someone else without giving credit, including online sources;
- Failing to put a quotation in quotation marks;
- Giving incorrect information about the source of a quotation;
- Changing words but copying the sentence structure of a source without giving credit;
- Copying so many words or ideas from a source that it makes up the majority of your work, whether you give credit or not (see our section on "fair use" rules).

Most cases of plagiarism can be avoided, however, by citing sources. Simply acknowledging that certain material has been borrowed, and providing your audience with the information necessary to find that source, is usually enough to prevent plagiarism.

Consequences:

- The first time a scholar is caught, he/she may receive a zero for that paper, project, assignment, or test; will receive a disciplinary referral; the parent/guardian or persons in loco parentis will be notified, and a conference will be held with the
