EVERY SCHOLAR, EVERY DAY – COLLEGE BOUND

Haas Hall Academy Alternative Methods of Instruction (AMI) Plan Reference Guide

What is an AMI day?

An AMI day is intended to allow our academic community to continue learning regardless of the weather. Our scholars will enter their Google Classrooms and continue the learning process from the safety and comfort of their residence.

When would an AMI day be used?

An AMI day would be used during inclement weather situations so that our scholars will be able to continue to learn and not have weather disrupt the academic process.

How many AMI days did Haas Hall Academy receive from the Arkansas Department of Education?

Haas Hall Academy is approved for up to five AMI days.

What is expected of my scholar during an AMI day?

All scholars are expected to complete the work assigned and submit it immediately to their teacher through Google Classroom or upon return to school with any packets. Scholars have up to three days after an AMI day to submit their completed work.

How will attendance be counted?

Assignments will be submitted to the classroom teacher to document scholar attendance for an approved AMI day. All work must be returned to the teacher by the end of the third day following an AMI day.

How will grades be assigned for work completed?

Faculty will grade work and record as classwork. Any work not submitted within the allocated time with no communication from a parent about extenuating circumstances will result in an unexcused absence and a "0" assigned for the work.

Who do I contact on an AMI Day with questions?

The faculty is available via email or their Google Classroom during normal school hours 8:00 a.m. – 2:30 p.m.

How will I know when an AMI day is being used?

Immediately upon determination of the cancellation of school, the superintendent will release remind post, Facebook post, internal intra web, text message stating the cancellation and the AMI day. AMI days will be used for the first five school cancellation days.
